SUBJECT: Project Budget (Planning) for Mansfield Road Realignment

RECOMMENDATION:

That the Board of Trustees approve the Planning Budget for the realignment of Mansfield Road at the intersection of Rte. 195 in the amount of \$700,000.

BACKGROUND:

The University must realign the State Route 195/Mansfield Road intersection in order to improve vehicle and pedestrian safety. To proceed with the project the university must apply to the State Traffic Commission (STC) for a permit to construct the realignment.

The scope of work includes a dedicated left-hand turn lane exiting the campus; a dedicated right-hand turn lane entering the campus; and a realignment of the intersection to eliminate the "jog" that currently exists.

This Planning Budget is attached for your consideration and approval.
